MANCHESTER Animal Shelter

At the Manchester Animal Shelter, the belief is that all animals are deserving of life, respect and care. Their goal is zero-population-growth through spay/neuter programs and services that focus on education, medical care, fostering and adoption.

Friends of the Manchester Animal Shelter is a non-profit organization which started in 1996. The shelter takes in homeless, abused, and abandoned animals in the city of Manchester. They provide shelter, medical care, and spay/neuter to every animal that comes through the doors. In operation for over two decades, the shelter has helped provide care and find loving homes for more than 25,000 animals!

Friends of the Manchester Animal Shelter gives back to the community with programs such as Fix a Pit, and Quick Fix along with a heavily utilized animal food pantry. As the mentality regarding humane animal treatment has evolved, Manchester Animal Shelter has maintained its forward thinking by adopting transported animals from high kill shelters in the south, to counseling potential adopters on what dog or cat would be the best match for them.

Over 200 volunteers are the heart of Manchester Animal Shelter, dedicating their time to maintaining, building and cleaning kennels, while more importantly, providing enrichment and love to the animals who are waiting for their forever homes.

FMAS is dedicated to connecting dogs and cats with new owners who will love and care for them. Learn about the many animals they have in their care and how you can bring them home to be part of your family.

Visit the website www.manchesteranimalshelter.org to view the adoptable pets or apply to foster.

There are many ways that you can help Cooper's friends at the Manchester Animal Shelter!

- Donate monthly: provide stability in an uncertain world for the endless number of animals that need it.
- Donate online: your donation directly supports homeless animals in our shelter.
- Donate to the Tonka Fund: help the most severely abused, neglected and hurting animals.
- Buy a Commemorative Brick: the Memorial Brick courtyard is an opportunity for you to permanently memorialize someone you love. By purchasing an engraved brick or granite paver to be displayed in our brick courtyard you will be helping all the animals that come through our doors.
- Donate items from the **Wish List**, the most needed supplies at the shelter:

Non-clumping kitty litter

Fuzzy mice toys

Dry cat food bags

Canned cat foods

Dog training treats

6-foot leashes

Martingale collars (S, M, or L)

IN MEMORIAM

RIP Jeff Denoncour (1951–2022)

Jeff Denoncour got his first tattoo in 1969, from Greg May at Lake Geneva Tattoo in Wisconsin. In 1974 Jeff met Sailor West at the Hopkinton Fair and got tattooed. This led to an apprenticeship with Sailor West in Nashua NH at East Coast Tattoo. After 1975 he completed his apprenticeship and opened his own tattoo shop in Weirs Beach, NH, tattooing during the Laconia Bike Week in 1976. In 1977 he opened up a shop called "L.A. East" in Lakeport, NH.

During this period Jeff would continue tattooing at carnivals. Jeff first met Greg Irons in 1982 at the Reno Tattoo Convention, which subsequently resulted in Jeff getting tattooed by Greg later in life. During this period he met and tattooed with Bill Loika, Dana Brunson, Rusty Savage, SuzAnne Fauser, Sailor Moses, and the list goes on.

In 1991 while working with Sailor Moses in Biloxi, MS Jeff suffered a heart attack. It was then he knew he had to make a lifestyle change and settle down. This led him back home to NH. He eventually went back to Lakeport to work at his old shop, L.A. East and bouncing around NH, and back and forth between Sailor Moses' shop until Moses' death in 1997. Jeff worked in the seacoast of NH at Jim's Tattoo Shop and also at Spider Bite Tattoo in Manchester, NH.

Jeff has tattooed at many shops all around NH and maintained close relationships with Spider Webb, Brian Everett, Jack Rudy, Mark Mahoney, among other legendary tattooers. *Credit to Nick Filth for the article.
